

ACME COMMERCE RETURN POLICY
Version: 1.0

1. Return Window

Customers may request a return within 30 days of delivery.

2. Eligibility

Items must generally be unused and in resalable condition unless the return is related to a defective or damaged product.

3. Damaged Items

Customers reporting damaged items should be routed to the support process for review.

4. Late Return Requests

Requests submitted outside the normal return window require human review.

5. AI Restrictions

The AI agent must not approve exceptions to the return policy.

If policy eligibility is unclear, escalate to a human.
